PLAYMAKER HOCKEY SCHOOL

If a hockey player is serious about improving, then this is the only program in the Cleveland area that can make great improvement happen. The Playmaker Hockey School is the one that has delivered the best results year after year. There simply is no other school like it anywhere. The Playmaker Hockey School is the area's only comprehensive **6 week** hockey and power skating program. This is not a hockey school of drills, but a summer long, intensive teaching school. The Playmaker Hockey School is the perfect fit for next season's tryouts. Our students are in better playing shape at the end of August than any other time of year.

No other program compares with our "Year After Year" results. Our 5-1 student to instructor ratio assures individual instruction and the opportunity to practice and sharpen all hockey skills. At the Playmaker Hockey School we are proud of a well trained staff who provide encouragement and support, in a fun and friendly atmosphere. We do not believe that yelling and screaming at students is a way to motivate. Instead we take the time to work with each skater until they are able to grasp the concepts being taught.

Train to be in top physical form and be ready for fall hockey try-outs. A number of our students have been able to jump two playing levels in one summer. Our Bantam age players have successfully used our school to prepare for high school hockey.

32 Years of Excellence!

This year marks our 32nd summer hockey school. The Cleveland area's longest running and most respected hockey training school for hockey players of all ages.

SCHEDULE

Monday, Tuesday & Thursday

On Ice	9:40 - 10:55 PM

STAFF

Jeff Marshall

Train with the best! Jeff Marshall has competed internationally at the highest levels in figure skating and is a U.S.F.S.A Triple Gold Medalist. He has coached national and international synchronized skating teams and local travel hockey teams. He has taught skating dynamics, hockey skills and power skating for over 32 years. Jeff is the director of the North Olmsted Skating Academy and will be the director for this program.

Todd Morgan

Todd Morgan is known in the Cleveland area as the best hockey skills instructor. Todd will direct of the hockey skills portion of the program.

Our summer staff includes one of the best trained instructor staffs in the area. College and area high school players return each year to to provide a fun and informative teaching environment.

MORE INSTRUCTION

The Playmaker Hockey School offers **36 hours** of instruction. On ice classes will last a FULL hour and fifteen minutes. Our students will receive a full **22.5** hours of ice time. Students will spend 45 minutes each day in Dry Land class. Groups 2 and 3 will receive additional training in proper checking techniques.

DYNAMIC SKATING

Boring lap pattern skating is a thing of the past. At Playmaker we integrate the dynamics of skating into an exciting and motivating conditioning program. Have fun while you dramatically improve your:

- skating form
- speed
- fundamental hockey moves
- backward skating skills
- power skating
- endurance

DYNAMIC HOCKEY SKILLS

This is your chance to be in top playing condition for the upcoming hockey season. You will build on your own fundamental hockey skills and abilities as you practice basic and advanced techniques in:

- stick handling
- passing
- shooting
- power shooting
- checking for Pee Wee and above

DRY LAND TRAINING

Anybody can pick up a stick, hit a puck and call themselves a hockey player, but only a complete athlete can be a "Star". It is our philosophy to build a total athlete, then turn that athlete into a complete and exceptional hockey player. Our school features a complete off ice training program, which is held each day one hour prior to the on ice portion of our program. Dry Land training will include strength, conditioning, balance, core strengthening, agility, plyametric skills and drills. We have improved this conditioning program with new and exciting drills, along with team training. There will be something different for our students each day.

What Others Are Saying About The Playmaker Hockey School

- "Finally a well trained and professional staff. My child's self esteem really grew because of your staff. They are the best!"
- "Instruction very clear. We saw an improvement in all areas."
- "With your school we were hoping our child would make the "A" team. Instead he made the "AA Major" team thanks to your program.
- "My son's skills are a direct result of your teaching. Not once has he chosen not to attend a class. I think the smile on his face is enough said."
- "I have never seen my child work so hard. Your use of the radar detectors, training tools and music made hard work fun."
- "My freshman son went straight to the Padua Varsity team and skipped the JV team altogether. We attribute his success directly to your program."

ENROLLMENT

Class fee is \$450.00. A deposit of \$100.00 is due with each registration form, with the balance due the first day of class. No refund will be given after June 15, 2012, without a medical excuse.
